

INTEGRA

YOUR GLASS COCKPIT SOLUTION

THE CHINESE DRAGON COME!

TL ELEKTRONIC Inc.

For most of us Europeans and people living on the American continent, the Chinese characters are beautiful, but absolutely not understandable.

We are the first manufacturer in the world, who has been offered since 2013 the Chinese language in our Integra Glass Cockpit for the rapidly growing Chinese market.

我会 汉语

The Chinese language mutation is an option under further conditions. Please contact us, whether you want to use it.
